The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order, but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company, the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,**

THE 28TH DECEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 28th December 1840, is hereby promulgated for general information.

Act No. XXV. of 1840.

For the better protection of the Abkaree Revenue within the Presidency of Fort William in Bengal.

I. Whereas it has been found necessary, with a view to make better provision for the protection of the Abkaree Revenue than is afforded by the existing system of management, to place the superintendence of certain Districts in a separate Commissioner acting under the direction and control of the Board of Customs, Salt and Opium, and whereas it is required to make provision by law for the extension and improvement of this system of management within the Presidency of Fort William in Bengal:—

It is hereby enacted, that whenever a Commissioner or Commissioners shall be appointed by the Governor of Bengal, or by the Governor or Lieutenant Governor of the N. W. Provinces, with the sanction of the Government of India, for the superintendence of the Abkaree Revenue, such Commissioner or Commissioners shall exercise within such Districts as may be assigned and prescribed from time to time by the said Governors or Lieutenant Governor the powers, authority and jurisdiction vested by the Regulations

and Acts of the Government in Commissioners of the Land Revenue in all matters appertaining to the Abkaree Revenue.

II. And it is hereby enacted, that within the Districts so assigned to such Commissioner or Commissioners, the Governor of Bengal or Governor or Lieutenant Governor of the N. W. Provinces may appoint any duly qualified persons not being of the description specially provided for in Section XXXI. Regulation X. 1813, to be Superintendents of the Abkaree Revenue, and to vest them with the charge and management of the Abkaree Revenue under the orders of the said Commissioner with such local limits as to him may seem fit, and persons so appointed shall exercise all the powers of Collectors in regard to this Revenue, excepting the adjudication of cases of contravention of the Laws relating to Abkaree.

III. And it is hereby enacted, that it shall be competent for the Governor of Bengal to vest any person appointed under the foregoing Clause with the charge and superintendence of the Abkaree Revenue with the power of adjudicating cases of contravention of the Abkaree Laws, in addition to the powers attaching to the office of Superintendent of Abkaree Revenue in the District or Districts assigned to him: provided that no such Superintendent when so vested with the powers of adjudication shall sentence any person to a fine exceeding 200 Rupees, whether commutable or otherwise, or to imprisonment for a term exceeding 3 months, except for a second offence under Section XVII. of this Act.

IV. And it is hereby enacted, that the warrant of any Officer authorized, or specially appointed, to adjudicate cases of contravention of the Abkaree Laws certifying the conviction of any individual, with a specification of the offence proved and penalty adjudged, shall be authority for the levying of any fine imposed, as therein specified, and for the detention of the person therein described in the Civil Jail of the District as may be therein prescribed,—provided always that it shall be competent to the Commissioner, upon appeal by the parties concerned, or of his own motion, to call for the papers and revise the proceedings in any case decided by such Superintendent, and to alter or reverse the judgment passed thereon, and a like power shall be possessed and exercised by the Board of Customs, Salt and Opium, or by any other Board possessing like authority whenever they think proper.

V. And it is hereby enacted, that any Officer employed in the Abkaree Department above the rank of Jemadar of Peons, who shall receive information that any person without a license is engaged in the manufacture of fermented or spirituous liquors, or in the preparation of intoxicating drugs, or has on his premises fermented or spirituous liquors or intoxicating drugs in such quantity as may render such person liable to the suspicion of secretly and illicitly trafficking in such articles, shall and is hereby authorized and required to take the deposition of the informer in writing, and if the information so given shall appear credible, so as to justify such proceeding, it shall further be competent to such Officer to enter and search such premises as may be declared by the informer to contain the illicit articles specified in his deposition, and to seize all illicit stills and materials of the kind used in manufacturing liquors and preparing drugs as well as all fermented or spirituous liquors, and intoxicating drugs, and to arrest the owner or occupant of the premises, together with all parties concerned in the transaction who may be found on the premises.

VI. And it is hereby enacted, that except in cases already provided for by Section XXVIII. Regulation VII. of 1824, if any person or persons shall by threats or violence prevent the lawful arrest of any person by an Officer duly authorized to seize illicit stills, fermented or spirituous liquors, or intoxicating drugs and materials for the manufacture of the same, or shall procure by unlawful means his release after arrest, or shall obstruct any Officer duly authorized in making search for or seizure of any of the above mentioned illicit articles, or shall rescue such articles after seizure, or if the party found with any such illicit articles in possession, or any other person or persons shall resist such Officer in the execution of a legal process, such person or persons shall severally and respectively be liable on conviction before a Magistrate, to be sentenced for the same to pay a fine not exceeding 500 Rupees, commutable, if not paid, to imprisonment for a term not exceeding six months, provided that such person or persons shall be further

liable, in the event of an affray or breach of the peace occurring, in consequence of his or their resistance, on conviction of the same before a competent tribunal to such punishment as is prescribed in the general rules applicable to cases of affray and breach of the peace in addition to the penalties above prescribed for the resistance of process.

VII. And it is hereby enacted, in modification of Clause 6, Section XXII. Regulation X. of 1813 of the Bengal Code, that if any person shall wilfully and maliciously give false information in respect to there being an illicit still or illicit stills, or fermented or spirituous liquors, or intoxicating drugs or materials prepared for the manufacture of spirituous liquors and drugs in any premises, and so procure that such premises shall be searched to the injury and vexation of the owners thereof, or of any other person or persons whatsoever, such false informer shall, besides being subject to any other penalties or damages to which he would be subject under the general law, be liable to imprisonment with or without labor for a term not exceeding two years, and to fine not exceeding 500 Rupees, commutable to a further term of imprisonment for six months if not paid.

VIII. And it is hereby enacted, that whenever any Officer of the Abkaree Department duly authorized under Section V. of this Act shall arrest any person charged with an infraction of the Laws for the protection of the Abkaree Revenue, or shall seize any still, or fermented or spirituous liquors or intoxicating drugs, or enter any premises for the purpose of searching for such illicit articles, he shall make a full report of all the particulars of such arrest or seizure or search to his official superior, within twenty-four hours after the transaction has occurred.

IX. And it is hereby enacted, that whenever any person may be arrested by an Officer employed in the Abkaree Department or by any other Officer of other Departments duly empowered to make seizure of illicit stills or spirituous liquors, or intoxicating drugs, or materials prepared for the purpose of manufacturing spirituous liquors or intoxicating drugs, the person making the arrest shall be bound to carry the party arrested with all convenient despatch to the Officer of the Department who may be competent to try the case, and no person so arrested shall be released until the case shall have been brought to judgment in the manner provided by Law.

X. And it is hereby enacted, that any Officer who shall neglect to report all the particulars of an arrest, seizure, or search within 24 hours after the transaction has occurred, or who shall delay carrying the person arrested to the proper Officer with all convenient despatch, or who shall release or connive at the escape of the person arrested shall be liable, on conviction, to dismissal from his situation, and to pay a fine not exceeding 200 Rupees, and to imprisonment for a term not exceeding three months, and in case of non-payment of the fine, to further imprisonment not exceeding three months, and the sentence shall be adjudged by any Officer competent to adjudicate cases of contravention of the Abkaree Laws.

XI. And it is hereby enacted, that it shall be lawful for any Officer employed in the Abkaree Department to enter and inspect at any time, by day or by night, the shop or premises in which any licensed Abkar shall carry on the sale or manufacture of fermented or spirituous liquors, or intoxicating drugs or liquors, in order to satisfy himself that nothing is going on in contravention of the Abkaree Laws, or of the conditions of the license.

XII. And it is hereby enacted, that if any Officer of the Abkaree Department be convicted before the Magistrate of any District, of having vexatiously and unnecessarily seized the goods of any person on the pretence of seizing or searching for illicit stills, spirituous liquors, intoxicating drugs, or the materials for manufacturing the same, or of having vexatiously and unnecessarily arrested any person, or of committing any other excess not required for the execution of his duty, every such Officer shall, besides dismissal, be punished with imprisonment not exceeding six months, and with fine not exceeding 200 Rupees, commutable, if not paid to a further imprisonment not exceeding six months.

XIII. And it is hereby enacted, that whenever in this Act or in any other law the terms "Officers employed in the Abkaree Department," are used they shall be deemed and construed to apply to such Officers as receive salary from and are appointed by the persons in charge of the Abkaree Department in the District, or such Officers as the Commissioner of the

Abkaree Revenue may by special delegation or appointment empower to act in relation to this branch of the Revenue.

XIV. And it is hereby enacted, that every person holding a license for the manufacture or sale of fermented or spirituous liquors or intoxicating drugs, shall preserve such license at the shop or premises specified in the body of the license, and shall exhibit the license on the demand of any Abkaree Officer, who shall desire to inspect the same, and any such licensed manufacturer or vender who shall refuse, or be unable to produce his license on the demand of any Abkaree Officer, shall be liable on conviction before a Magistrate to a fine not exceeding 200 Rupees, or to imprisonment for a term not exceeding three months, and in case of non-payment of the fine to further imprisonment not exceeding a like term.

XV. And it is hereby enacted, that one moiety of all fines realized from persons convicted of the illicit possession or manufacture or sale of fermented or spirituous liquors or intoxicating drugs, excepting Opium, and of the proceeds from sale of articles confiscated, shall upon adjudication of the case be awarded to the Officer or Officers who may have apprehended the offender or seized the illicit articles, and the other half shall be given to the informer as provided in Clause 8, Section XXII. Regulation X. of 1813, and if no fine be realized, the Commissioner may recommend through the Board of Customs, Salt and Opium such reasonable reward, not exceeding the sum of 200 Rupees in each case as may appear to him fit,—provided however, that it shall be competent to the Board of Customs, Salt and Opium to prescribe by General Order what classes of Officers of the Department shall receive reward and what classes shall have no title to participate therein.

XVI. And it is hereby enacted, that any Officer employed in the Abkaree Department, who shall be convicted of conniving at the manufacture or sale of fermented or spirituous liquors without license, or by any licensed manufacturer or vender contrary to the terms of such license, shall be liable to the same penalties that would be incurred by the offender at whose act in contravention of the law he so connived.

XVII. And it is hereby enacted, that whenever any person shall be convicted of an infraction of the laws for protection of the Abkaree Revenue after having been previously convicted of a like offence, he shall be liable, in addition to the penalty attached to such offence, to imprisonment in the Dewanny Jail for a period of six months, and a like punishment of six months imprisonment shall be incurred, in addition to the punishment which may be inflicted for a first offence, upon every subsequent conviction after the second, and the warrant of the Officer adjudicating any case under the provisions of this Section shall be authority for the Judge or other Officer in charge of the Dewanny Jail to hold the person described therein in confinement in such Jail, and for such time as may be specified and required in the said warrant.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packet and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packet for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

Offg. Post Master General.

Fort William, Genl. Post Office, the 27th May, 1840.

NOTICE.

It having been found expedient to abolish the Noon Despatch of Letters in the North Western Provinces, and as the Mid-day Dak in Bengal has been, so little availed of for the conveyance of letters, it has pleased the Right Hon'ble the Governor General in Council to direct its discontinuance in these Provinces also; consequently, the existing system of receiving letters at this Office for the Noon Despatch, will cease on the 1st of the ensuing month of January.

An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

18. It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale—at the five Sales in the months of January, February, April, May and June; there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 12,829 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved, or at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

Article of the Convention above referred to. 6. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium shall be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
W. BRACKEN, *Offg. Secretary*

FINANCIAL DEPARTMENT,

THE 19TH NOVEMBER, 1838.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR

MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.	Per Company's Rupee for Adv-	
	vapce, made at.....	Bengal.
	Ditto..... Ditto.....	Madras.
	Ditto..... Ditto.....	Bombay.
	Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bils; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt, Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 28TH DECEMBER, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 28th December 1840, is hereby promulgated for general information.

ACT No. XXV. of 1840.

For the better protection of the Abkaree Revenue within the Presidency of Fort William in Bengal.

I. Whereas it has been found necessary, with a view to make better provision for the protection of the Abkaree Revenue than is afforded by the existing system of management, to place the superintendence of certain Districts in a separate Commissioner acting under the direction and control of the Board of Customs, Salt and Opium, and whereas it is required to make provision by law for the extension and improvement of this system of management within the Presidency of Fort William in Bengal:—

It is hereby enacted, that whenever a Commissioner or Commissioners shall be appointed by the Governor of Bengal, or by the Governor or Lieutenant Governor of the N. W. Provinces, with the sanction of the Government of India, for the superintendence of the Abkaree Revenue, such Commissioner or Commissioners shall exercise within such Districts as may be assigned and prescribed from time to time by the said Governor or Lieutenant Governor the powers, authority and jurisdiction vested by the Regulations and Acts of the Government in Commissioners of the Land Revenue in all matters appertaining to the Abkaree Revenue.

II. And it is hereby enacted, that within the Districts so assigned to such Commissioner or Commissioners, the Governor of Bengal or Governor or Lieutenant Governor of the N. W. Provinces may appoint any duly qualified persons not being of the description specially provided for in Section XXXI. Regulation X. 1818, to be Superintendents of the Abkaree Revenue, and to vest them with the charge and management of the Abkaree Revenue under the orders of the said Commissioner within such local limits as to him may seem fit, and the persons so appointed shall exercise all the powers of Collectors in regard to this Revenue, excepting the adjudication of cases of contravention of the Laws relating to Abkaree.

III. And it is hereby enacted, that it shall be competent for the Governor of Bengal to vest any person appointed under the foregoing Clause to the

charge and superintendence of the Abkaree Revenue with the power of adjudicating cases of contravention of the Abkaree Laws, in addition to the powers attaching to the office of Superintendent of Abkaree Revenue in the District or Districts assigned to him—provided that no such Superintendent when so vested with the powers of adjudication shall sentence any person to a fine exceeding 200 Rupees, whether commutable or otherwise, or to imprisonment for a term exceeding 3 months, except for a second offence under Section XVII. of this Act.

IV. And it is hereby enacted, that the warrant of any Officer authorized, or specially appointed, to adjudicate cases of contravention of the Abkaree Laws certifying the conviction of any individual, with a specification of the offence proved and penalty adjudged, shall be authority for the levying of any fine imposed, as therein specified, and for the detention of the person therein described in the Civil Jail of the District as may be therein prescribed,—provided always that it shall be competent to the Commissioner, upon appeal by the parties concerned, or of his own motion, to call for the papers and revise the proceedings in any case decided by such Superintendent, and to alter or reverse the judgment passed thereon, and a like power shall be possessed and exercised by the Board of Customs, Salt and Opium, or by any other Board possessing like authority whenever they think proper.

V. And it is hereby enacted, that any Officer employed in the Abkaree Department above the rank of Jemadar of Peons, who shall receive information that any person without a license is engaged in the manufacture of fermented or spirituous liquors, or in the preparation of intoxicating drugs, or has on his premises fermented or spirituous liquors or intoxicating drugs in such quantity as may render such person liable to the suspicion of secretly and illicitly trafficking in such articles, shall and is hereby authorised and required to take the deposition of the informer in writing, and if the information so given shall appear credible, so as to justify such proceeding, it shall further be competent to such Officer to enter and search such premises as may be declared by the informer to contain the illicit articles specified in his deposition, and to seize all illicit stills and materials of the kind used in manufacturing liquors and preparing drugs as well as all fermented or spirituous liquors, or intoxicating drugs, and to arrest the owner or occupant of the premises, together with all parties concerned in the transaction who may be found on the premises.

VI. And it is hereby enacted, that except in cases already provided for by Section XVIII. Regulation VII. of 1824, if any person or persons shall by threats or violence prevent the lawful arrest of any person by an Officer duly authorized to seize illicit stills, fermented or spirituous liquors, or intoxicating drugs and materials for the manufacture of the same, or shall procure by unlawful means his release after arrest, or shall obstruct any Officer duly authorized in making search for or seizure of any of the above mentioned illicit articles, or shall receive such articles after seizure, or if the party found with any such illicit articles in possession, or any other person or persons shall resist such Officer in the execution of a legal process, such person or persons shall severally and respectively be liable on conviction before a Magistrate, to be sentenced for the same to pay a fine not exceeding 500 Rupees, commutable, if not paid, to imprisonment for a term not exceeding six months, provided that such person or persons shall be further liable, in the event of an affray or breach of the peace occurring, in consequence of his or their resistance, on conviction of the same before a competent tribunal to such punishment as is prescribed in the general rules applicable to cases of affray and breach of the peace in addition to the penalties above prescribed for the resistance of process.

VII. And it is hereby enacted, in modification of Clause 6, Section XXII. Regulation X. of 1818 of the Bengal Code, that if any person shall wilfully and maliciously give false information in respect to there being an illicit still or illicit stills, or fermented or spirituous liquors, or intoxicating drugs or materials prepared for the manufacture of spirituous liquors and drugs in any premises, and so procure that such premises shall be searched to the injury and vexation of the owners thereof, or of any other person or persons whatsoever, such false informer shall, besides being subject to any other penalties or damages to which he would be subject under the general law, be liable to imprisonment with or without labor for a

term not exceeding two years, and to fine not exceeding 500 Rupees, commutable to a further term of imprisonment for six months if not paid.

VIII. And it is hereby enacted, that whenever any Officer of the Abkaree Department duly authorized under Section V. of this Act shall arrest any person charged with an infraction of the Laws for the protection of the Abkaree Revenue, or shall seize any still, or fermented or spirituous liquors or intoxicating drugs, or enter any premises for the purpose of searching for such illicit articles, he shall make a full report of all the particulars of such arrest or seizure or search to his official superior, within twenty-four hours after the transaction has occurred.

IX. And it is hereby enacted, that whenever any person may be arrested by an Officer employed in the Abkaree Department or by any other Officer of other Departments duly empowered to make seizure of illicit stills or spirituous liquors, or intoxicating drugs, or materials prepared for the purpose of manufacturing spirituous liquors or intoxicating drugs, the person making the arrest shall be bound to carry the party arrested with all convenient despatch to the Officer of the Department who may be competent to try the case, and no person so arrested shall be released until the case shall have been brought to judgment in the manner provided by Law.

X. And it is hereby enacted, that any Officer who shall neglect to report all the particulars of an arrest, seizure, or search within 24 hours after the transaction has occurred, or who shall delay carrying the person arrested to the proper Officer with all convenient despatch, or who shall release or connive at the escape of the person arrested shall be liable, on conviction, to dismissal from his situation, and to pay a fine not exceeding 200 Rupees, and to imprisonment for a term not exceeding three months, and in case of non-payment of the fine, to further imprisonment not exceeding three months, and the sentence shall be adjudged by any Officer competent to adjudicate cases of contravention of the Abkaree Laws.

XI. And it is hereby enacted, that it shall be lawful for any Officer employed in the Abkaree Department to enter and inspect at any time, by day or by night, the shop or premises in which any licensed Abkar shall carry on the sale or manufacture of fermented or spirituous liquors, or intoxicating drugs or liquors, in order to satisfy himself that nothing is going on in contravention of the Abkaree Laws, or of the conditions of the license.

XII. And it is hereby enacted, that if any Officer of the Abkaree Department be convicted before the Magistrate of any District, of having vexatiously and unnecessarily seized the goods of any person on the pretence of seizing or searching for illicit stills, spirituous liquors, intoxicating drugs, or the materials for manufacturing the same, or of having vexatiously and unnecessarily arrested any person, or of committing any other excess not required for the execution of his duty, every such Officer shall, besides dismissal, be punished with imprisonment not exceeding six months, and with fine not exceeding 200 Rupees, commutable, if not paid to a further imprisonment not exceeding six months.

XIII. And it is hereby enacted, that whenever in this Act or in any other law the terms "Officers employed in the Abkaree Department," are used they shall be deemed and construed to apply to such Officers as receive salary from and are appointed by the persons in charge of the Abkaree Department in the District, or such Officers as the Commissioner of the Abkaree Revenue may by special delegation or appointment empower to act in relation to this branch of the Revenue.

XIV. And it is hereby enacted, that every person holding a license for the manufacture or sale of fermented or spirituous liquors or intoxicating drugs, shall preserve such license at the shop or premises specified in the body of the license, and shall exhibit the license on the demand of any Abkaree Officer, who shall desire to inspect the same, and any such licensed manufacturer or vender who shall refuse, or be unable to produce his license on the demand of any Abkaree Officer, shall be liable on conviction before a Magistrate to a fine not exceeding 200 Rupees, or to imprisonment for a term not exceeding three months, and in case of non-payment of the fine to further imprisonment not exceeding a like term.

XV. And it is hereby enacted, that one moiety of all fines realized from persons convicted of the illicit possession or manufacture or sale of fermented or spirituous liquors or intoxicating drugs, excepting

Opium, and of the proceeds from sale of articles confiscated, shall upon adjudication of the case be awarded to the Officer or Officers who may have apprehended the offender or seized the illicit articles, and the other half shall be given to the informer as provided in Clause 8, Section XXII. Regulation X. of 1813, and if no fine be realized, the Commissioner may recommend through the Board of Customs, Salt and Opium such reasonable reward, not exceeding the sum of 200 Rupees in each case as may appear to him fit,—provided however, that it shall be competent to the Board of Customs, Salt and Opium to prescribe by General Order what classes of Officers of the Department shall receive reward and what classes shall have no title to participate therein.

XVI. And it is hereby enacted, that any Officer employed in the Abkaree Department, who shall be convicted of conniving at the manufacture or sale of fermented or spirituous liquors without license, or by any licensed manufacturer or vender contrary to the terms of such license, shall be liable to the same penalties that would be incurred by the offender at whose act in contravention of the law he so connived.

XVII. And it is hereby enacted, that whenever any person shall be convicted of an infraction of the laws for protection of the Abkaree Revenue after having been previously convicted of a like offence, he shall be liable, in addition to the penalty attached to such offence, to imprisonment in the Dewanny Jail for a period of six months, and a like punishment of six months' imprisonment shall be incurred, in addition to the punishment which may be inflicted for a first offence, upon every subsequent conviction after the second, and the warrant of the Officer adjudicating any case under the provisions of this Section shall be authority for the Judge or other Officer in charge of the Dewanny Jail to hold the person described therein in confinement in such Jail, and for such time as may be specified and required in the said warrant.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

**CIVIL SERVICE ANNUITY FUND
MEETING.**

AT an Annual General Meeting of Subscribers
to the Bengal Civil Service Annuity Fund,
held this-day, Friday, the 1st January, 1841, at one
o'clock, P. M.

Present.—CHARLES TUCKER, Esq., in the Chair.

James Curtis, Esq.	W. Bracken, Esq.
Henry Moore, Esq.	W. H. Martin, Esq.
D. C. Smyth, Esq.	T. C. Scott, Esq.
H. M. Parker, Esq.	T. P. Woodcock, Esq.
J. F. M. Reid, Esq.	C. Allen, Esq.
F. Millett, Esq.	M. S. Gilmore, Esq.
G. A. Bushby, Esq.	S. Bowring, Esq.
Richard Walker, Esq.	H. V. Bayley, Esq.
R. Trotter, Esq.	

The accounts of the Fund for the past year
1839-40, were approved and passed.

An election of Managers then took place, and the
majority of votes appeared for the re-election of the
five Managers of last year. Accordingly Messrs.
John Lewis, Charles Tucker, F. J. Halliday, H.
Moore, and William Bracken were declared to be
the elected Managers for the year 1841.

A question having arisen as to whether the note to
Rule XI. which requires the declaration of accept-
ance of Annuity to be "upon honor" was to be con-
sidered as having the same force as a Rule and
equally binding on every retiring Member, the Se-
cretary reported to the Meeting that the Managers
had recently considered the same point and had
come to the conclusion that the note in question was
to all intents and purposes an effective regulation of
the Fund—and indeed part and parcel of Rule XI.
This decision had been founded on the fact that
the clause which now appears as a note to Rule XI.

was originally advertised,*
proposed, and carried at a
General Meeting held on
the 2d of January 1826,
as a "rule," and finally
sanctioned by the Hon'ble
Court in their despatch of
30th May 1827 in these
words,—"we approve of
"the proposed regulation
"requiring that declaration of the willingness of any
"subscriber to take the Annuity shall be stated
"upon honor."

The Meeting agreed in the view taken by the
Committee of Management of the force of the note
in question:—but were of opinion that the note
should be embodied in a Rule. Accordingly the
following resolution, proposed by Mr. Parker,
seconded by Mr. Bushby, was unanimously carried:

Resolved—That the Managers be requested to
have the Rules of the Fund as they now stand re-
printed,—the notes which have been approved by
the Honorable the Court of Directors, as additions
to the Rules, being embodied in the same.

HENRY ATHERTON, Acting Collector.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE, CHARING CROSS.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources

of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.
Messrs. LECKIE & Co. Bombay.

The Postages, with the Annual Subscription, are charged periodically in

account with the Subscriber, payable either in England or India; or in many cases a remittance in advance is made to cover the probable estimated amount during the year.

An Envelope, containing several enclosures, written on thin paper and wafered, may thus be sent:—

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation,

hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and, if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 57th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

FINANCIAL DEPARTMENT.
No. 20 OF 1840.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

With reference to our Orders of the 17th August 1838, directing that Advances upon Consignments of Goods should be confined as far as practicable to the great Staple Commodities of India, and to paragraph 5 of your Letter in this Department, dated the 17th February last, expressing an apprehension of its becoming necessary to extend the benefit of the Advances to other Articles, we deem it expedient with a view to obviate that necessity to grant to our respective Governments the discretion of making Advances on Goods consigned to the Port of Bristol; you will take care, however, previously to the adoption of that measure, to satisfy yourselves that the amount of Advance likely to be required will be sufficiently

considerable, on comparison with the Advances required for such Ports as Liverpool or Glasgow, to justify the admission of a new Port of Consignment with its attendant expenses.

No. 2 of 1841.—The following Extract of a Military letter, No. 10, dated 4th November 1840, from the Hon'ble the Court of Directors to the Governor General of India in Council, is published for general information:

"Reply to letter dated 13th August 1840, No. 87

Transmit a G. O. 29th July 1840, modifying, in obedience to Court's Orders, that of 20th January 1840, relative to the position of local Major Generals of Her Majesty's Service in India, also the Minutes which have been recorded on the subject, to which the Court's attention is earnestly solicited.

The principle of the Regulations and Arrangements for the employment of Her Majesty's local Major Generals in fixed Divisional and Brigade Commands, as specified in para. 2 of our Despatch of the 2d June last, and which provides effectually against any inconvenient interference of the Regimental Officers of the Queen's Army with appointments on the Divisional or Brigade Staff, is understood by the General Commanding in Chief, and by ourselves, to be equally applicable to the employment of those Officers with Field Forces. You will accordingly take care that this principle is applied in all cases when Officers are appointed to Commands as Major, or Brigadier Generals, and Brigadiers.

In conformity with the principle above referred to, Local Major Generals absent from their Regiments are not entitled to resume Regimental Command or Employ, unless such resumption shall be permitted as compatible with your arrangements for the Brigade and Divisional Commands of the Force to which the Regiment is attached.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale, unopened—provided that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandize consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR

MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandize of Individuals intended for Consignment to England, repayable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.	Per Company's Rupee for Advances made at.....	Bengal.
	Ditto.....	Madras.
	Ditto.....	Bombay.
	Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the

hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouch-ed for by a large proportion of those whose engage-ments led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Sub-scribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

SATURDAY, JANUARY 23, 1841.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 18TH JANUARY, 1841.

The following Extract from the Proceedings of the Right Hon'ble the Governor General in Council, in the Legislative Department, is published for general information.

Read a second time, the Draft of a proposed Act, dated the 14th October 1839, and published in the Calcutta Gazette of the 16th of the same month, for amending the Bengal Code in regard to Sales of Land for Arrears of Revenue.

Resolution.—The Right Hon'ble the Governor General in Council resolves that the following amended Draft on the subject be republished for general information :—

Act No. — of 1841.

An Act for amending the Bengal Code in regard to Sales of Land for Arrears of Revenue.

Preamble.

I. Whereas it is deemed expedient with a view to the benefit of the Agricultural Community, to regulate the number of periodical sales of Estates for arrears of Revenue; to discontinue the levy of interest and penalty upon such arrears; to provide for the absolute sale (under restrictions and exceptions in certain cases) of any Mehal, the whole of the Land Revenue due from which may not have been discharged on or by appointed days; and otherwise to amend the laws for the realization of the Land Revenue;—

Regulations rescinded.

It is hereby enacted, that Sec. 2, Reg. XIV. 1793; Sec. 2, Reg. III. 1794, Reg. XI. 1822, except Sections 36 and 38, and Reg. VII. 1830 are rescinded, except in so far as they rescind other Regulations or parts of Regulations.

Interest and Penalty abolished.

II. And it is hereby enacted, that there shall be no demand of interest or penalty upon any arrear of Land Revenue which shall fall due after the date specified in Section XXXIII. of this Act.

Days fixed for Sale.

III. And it is hereby enacted, that upon the promulgation of this Act the Sudder Board of Revenue at Calcutta, shall determine with regard to each permanently settled District or Zillah under their jurisdiction, the fixed days in each year not being more than three, on which and on no other days sales shall be held for realization of arrears of Land Revenue. And the said Board shall give notice of the dates so fixed in the Calcutta Gazette; and shall direct corresponding publication to be made, as far as regards each District, in the language of that District, in the Office of the Collector, or Deputy Collector, or other Officer duly authorized to hold sales under this Act, and in the Courts of the Judge, Magistrate, Principal Sudder Ameens, Sudder Ameens, and Sudder Moonsiffs; and the days so fixed shall not be changed until the same be changed by the said Board by advertisements and notifications in the manner above described; such advertisements and notifications to be issued, on every occasion after the first above provided for, before the close of the

official year preceding that in which the new date or dates are to take effect.

Exception in unsettled Provinces and Benares.

IV. And it is hereby enacted, that in Districts not permanently settled, and in the Province of Benares, no sale shall take place for arrears of Land Revenue or other demand of Government without the special sanction of the Sudder Board of Revenue previously obtained in each several case of sale.

Definition of an Arrear.

V. And it is hereby enacted, that if the whole or a portion of a kist or instalment of any month of the Bengallee, Fussullee or Ummullee year be unpaid on the first of the following month, the sum so remaining unpaid shall be considered an arrear of Revenue: that is to say, the kist of Bysakh shall be an arrear on the 1st Jeth; and the kist of Jeth on the 1st Asarh, and so on.

All Estates in arrear to be sold.

VI. And it is hereby enacted, that except as hereinafter excepted, all Estates from which at noon of the day preceding that fixed for a sale an arrear of Revenue may be due, shall, on the said fixed day, or on the day or days following as hereinafter provided, be put up to public auction by and in the presence of the Collector or Officer exercising the powers of Collector in that behalf, and shall be sold to the highest bidder; and no payment or tender of payment made subsequent to the hour of noon of the day preceding that fixed for a sale shall bar or interfere with the sale either at or after the conclusion of that transaction.

Claims to abatement and set off.

VII. And it is hereby enacted, that no claim to abatement or remission of Revenue unless the same shall have been allowed by the authority of Government, nor any private demand or cause of action whatever held or supposed to be held by any defaulter against Government shall bar a sale, nor render a sale under this Act voidable; nor shall the plea that money belonging to the defaulter, and sufficient to pay the balance or part of it, was in the Collector's hands, bar a sale nor render a sale under this Act voidable, unless the money have been transferred in account to credit of the Estate, or unless after due application made to him, the Collector shall have, on insufficient grounds, refused so to transfer it.

Exceptions.

VIII. Provided always, and it is hereby enacted, that no estate shall be sold for the recovery of arrears or demands of the description mentioned below, otherwise than after a notification in the language of the District, specifying the nature and amount of the arrear or demand, shall have been affixed, for a period not less than twenty days preceding the day of sale, in the Office of the Collector, Deputy Collector, or other Officer as aforesaid, by whom the sale is intended to be made, in the Court of the Judge within whose jurisdiction the land advertised lies, in the Courts of all the Principal Sudder Ameens, Sudder Ameens and Sudder Moonsiffs of the District, and at the Police Thannah of the Division in which the estate to which the notice relates, or part of it is situated, the same to be certified by the receipt of the Officer at whose Office

such publication may have been made; and also at the Cutcherry of the Malgoozar of the estate, or at some conspicuous place upon the estate, the same to be certified by the poen or other person employed for the purpose. And it shall be declared in the said notification that no payment or tender of payment of the arrear or demand due, which may be made after the hour of noon of the day preceding the fixed day of sale, will bar or interfere with the sale either at or after the transaction.

First—Arrears due from or to be recovered by the sale of estates not permanently settled.

Secondly—Arrears other than those of the current or the preceding year.

Thirdly—Arrears of Revenue due on account of estates other than that to be sold.

Fourthly—Arrears to be recovered by re-sales consequent upon default of purchasers as provided in Section XV. of this Act.

Fifthly—Arrears due on account of Tuccavy, Poolbun-dee, or other demands not being Land Revenue, but recoverable by the same process as arrears of Land Revenue.

Payments by non-proprietors. IX. And it is hereby enacted, that Collectors shall, at any time before the hour of noon of the day preceding the fixed day of sale receive as a deposit from any party not being a proprietor of the estate in arrear, the amount of the arrear of Revenue due from it, to be carried to the credit of the said estate at noon as aforesaid, unless before that time the arrear shall have been liquidated by a proprietor of the estate. And in case the party so depositing, whose money shall have been credited to the estate in the manner aforesaid, shall be a plaintiff in a suit pending before a Court of Justice for the possession of the same or any part thereof, it shall be competent to the Judge of the Zillah in which such estate is situated, to order the said party to be put into temporary possession of the said estate, subject to the rules in force for taking security in the cases of appellants and defendants. And if the party depositing whose money shall have been credited as aforesaid shall prove before a competent Civil Court that the deposit was made in order to protect an interest of the said party, which would have been endangered, or damaged by the sale of the estate, he shall be entitled to recover the amount of the deposit with interest, from the proprietors of the said estate.

X. And it is hereby enacted, that no estate shall be liable to sale for the recovery of arrears which have accrued during the period of its being under the management of the Court of Wards; and no estate,

Ward's Estates and Minor's. the sole property of a minor or minors, and descended to him or them by the regular course of inheritance duly notified to the Collector for the information of the Court of Wards, but of which the Court of Wards has not assumed the management under Regulation VI. 1822, shall be sold for arrears of Revenue accruing subsequently to his or their succession to the same, until the minor or minors, or one of them, shall have attained the full

Attached by a Revenue Officer. age of 18 years. And no estate held under attachment by the Revenue Authorities, otherwise than by order of a Judicial Authority, shall be liable to sale for arrears accruing whilst it was so held under attachment. And no estate held under attachment by a Revenue Officer, in pursuance of an order of a Judicial Authority, shall be liable to sale for the recovery of arrears of Revenue accruing during the period of such attachment, until after the end of the year in which such arrears accrued.

Attached by a Court. XI. And it is hereby enacted, that it shall be competent to the Collector at any time before the sale shall have taken place to exempt any estate from sale; and in like manner it shall be competent to the Commissioner of Revenue at any time before the sale shall have taken place, to exempt any estate from sale, and to direct the receipt of arrears due upon it by a special order to the Collector to that effect in each case; and no sale of an estate shall be legal if held after the receipt of an order of exemption in respect to such estate. Provided, however, and it is hereby enacted, that an order for exemption so issued, shall not affect the legality of a sale which may have taken place before the receipt by the Collector of the order for exempting it from sale.

Exemption from sale. XII. And it is hereby enacted, that in case the Collector, Deputy Collector, or other Officer as aforesaid, shall be unable from sickness, from the occurrence of a holiday, or from any other cause to commence the sale on the day of sale fixed as aforesaid, or if, having commenced it, he be unable, from the like cause, to proceed with it, he shall be competent to adjourn it to the next day following, not being Sunday or other close holiday, recording his reasons for such adjournment, forwarding a copy of such record to the Commissioner of Revenue, and announcing the adjournment by a written proclamation stuck up in his Cutcherry; and so on, from day to day, until he shall be able to commence upon, or to proceed with, the sale, but with the exception of adjournments so made, recorded, and reported, each sale shall invariably be made on the day of sale fixed in the manner aforesaid.

Proviso. XIII. And it is hereby enacted, that on the day of sale fixed according to Section III. of this Act, sales shall proceed in regular order; the estate to be sold bearing the lowest number on the Towjee or rent roll of the District being put up first, and so on, in regular sequence; and it shall not be lawful for the Collector or other Officer as aforesaid to put up any estate out of its regular order by number.

Appeal. XIV. And it is hereby enacted, that the party who shall be declared the purchaser of an estate at any such public sale as aforesaid, shall be required to deposit immediately, either in Cash, Bank of Bengal Notes or Post Bills, or Government Securities duly indorsed, 25 per cent, on the amount of his bid, and in default of such deposit, the estate shall, forthwith, be put up again and sold.

Balance of purchase money. XV. And it is hereby enacted, that the full amount of purchase money shall be made good by the purchaser before noon of the thirtieth day from that on which the sale of the estate bought by him took place, reckoning that day as one of the thirty: or if the thirtieth day be a Sunday or other close holiday, then on the first office day after the thirtieth: and in default of payment within the prescribed period as aforesaid, then and afterwards as often as such default shall occur, the deposit shall be forfeited and credited to the estate in payment of so much of the balance due from it at the time of sale; and if thereafter any part of the balance for which the sale was made remain due, the estate shall be resold, and the defaulting purchaser shall forfeit all claim to the estate, or to any part of the sum for which it may subsequently be sold, and in the event of the proceeds of the sale which may be eventually consummated being less than the price bid by the defaulting bidder aforesaid, the difference shall be leviable from him by any process authorised for realizing an arrear of public Revenue, and it shall be so levied and credited to the defaulting proprietor of the estate sold.

Rents stopped after notice for sale. XVI. And it is hereby enacted, that whenever an estate shall have been sold as aforesaid, the Collector, Deputy Collector, or other Officer as aforesaid, shall affix a proclamation in the language of the District in his Cutcherry; and as soon thereafter as may be in the Cutcheries of the Mooniffs and of the Darogahs of Police, within whose jurisdiction or jurisdictions any part of such estate may be situated; and also at the Cutcherry of the Malgoozar of such estate; or on some conspicuous place on such estate, forbidding the ryots and under-tenants of such estate to pay rent falling due subsequent to the date therein specified and up to the date of the subsequent notice hereinafter prescribed by Section XX. of this Act, on pain of not being entitled to credit in their accounts with the purchaser for any sums paid within the period aforesaid.

Appeal. XVII. And it is hereby enacted, that it shall be lawful for the Commissioner of Revenue to receive an appeal against any sale made under this Act if preferred to him on or before the fifteenth day from the date of sale, reckoning as in Section XV., or if preferred to the Collector for transmission to the Commissioner on or before the tenth day from the day of sale, and not otherwise: and the Commissioner shall be competent in every case of appeal so preferred, to annul any sale of an estate made under this Act, which shall appear to him not to have been conducted according to the provisions of this Act; and the order of the Commissioner annulling a sale or dismissing an appeal shall be final unless set aside by a competent Court of Justice in a regular suit brought for that purpose.

Government may restore Estate.

XVIII. And it is hereby enacted, that it shall be competent to the Commissioner of Revenue on the ground of hardship or injustice to suspend the passing of final orders in any case of appeal from a sale and to represent the case to the Suder Board of Revenue, who, if they see cause, may recommend to the Local Government to annul the sale; and the Local Government in such case, but in no other, may annul the sale and cause the estate to be restored to the proprietor on such conditions as may appear equitable and proper.

Sale when to be final. XIX. And it is hereby enacted, that all sales of which the purchase money has been paid up as prescribed in Section XV. of this Act, and against which no appeal shall have been preferred, shall be final and conclusive at noon of the thirtieth day from the day of sale, reckoning the said day of sale, as the first of the said thirty days. And sales against which an appeal may have been preferred, and the appeal dismissed by the Commissioner, shall be final and conclusive from the date of such dismissal, if more than thirty days from the day of sale, or if less, then at noon of the thirtieth day as above provided.

Certificate of Title. XX. And it is hereby enacted, that immediately upon a sale becoming final and conclusive, the Collector or other Officer as aforesaid, shall give to the purchaser a Certificate of title in the following form:

I certify that A. B. has purchased at Public Auction under Act — of — Mehal C, and that his purchase has taken effect on and since the — day of — (being the date of sale.)

(Signed) D. E., Collector.

And the said certificate shall be deemed in any Court of Justice sufficient evidence of the title to the estate sold being vested in the person or persons named from the date specified: and the Collector shall also notify such transfer by written proclamation in his own Cutcherry, and in those of the Moonsiff and Darogah of the jurisdictions within which any part of the estate sold shall be situated, and shall apply the purchase money first to the liquidation of all arrears due upon the day of sale, or upon the day of the original sale, if the sale finally consummated be a re-sale, and secondly, to the liquidation of all outstanding demands debited to the Muhal in the Public accounts of the district, holding the residue, if any, in deposit on account of the late recorded proprietor or proprietors of the estate sold, to be paid to their receipt on demand in the manner following: to wit, in shares proportioned to their recorded interest in the estate sold, if such distinction of shares were recorded, or if not, then as an aggregate sum to the whole body of proprietors upon their joint receipt.

Denominate purchase. XXI. And it is hereby enacted, that any suit brought to oust the certified purchaser as aforesaid, on the ground that the purchase was made on behalf of another person, not the certified purchaser, though by agreement the name of the certified purchaser was used, shall be dismissed with costs.

Notice of annulment. XXII. And it is hereby enacted, that the annulment of a sale by a Commissioner shall be publicly notified by the Collector or other Officer as aforesaid in the same manner as the becoming final and conclusive of sales is required to be notified by Section XX. of this Act, and the amount of deposit and balance of purchase money shall be forthwith returned to the purchaser, with interest thereon, at the rate of the current public securities, from the dates on which they were respectively paid in, to the date on which the refund is actually made.

Purchase liable for Mesne Revenue. XXIII. And it is hereby enacted, that the party certified as the proprietor of an estate by purchase at public sale for the recovery of arrears of Revenue shall be answerable for all instalments of the Revenue of Government which may fall due subsequently to the day of sale: provided, however, that in the case of re-sales the purchaser shall be answerable for all instalments of Revenue which fell due subsequently to the date fixed for the first sale.

Grounds and conditions of reversal by a Civil Court. XXIV. And it is hereby enacted, that no sale for arrears of Revenue or other demands realizable in the same manner, made after the promulgation of this Act, shall be set aside by a Court of Justice except upon the ground of its having been made contrary to the provisions of this Act: And except the contravention thereto shall have been de-

clared and specified in an appeal made to the Commissioner, under Section XVII of this Act: And no person shall be entitled to contest the legality of a sale after having received any portion of the purchase money: Provided, however, and it is hereby enacted, that nothing in this Act contained shall be construed to debar any person considering himself wronged by any act or circumstance connected with a sale under this Act, from his remedy in a personal action for damages against the individual by whose act or omission he considers himself to have been wronged.

Refund on Reversal of Sale. XXV. And it is hereby enacted, that in the event of a sale being reversed by a final decree of a Court of Justice, the purchase money shall be refunded to the purchaser by Government, together with interest at the rate of the current public securities.

Enhancement of rents in Bengal, &c. XXVI. And it is hereby enacted, that the purchaser of an estate sold under this Act, for the recovery of arrears due on account of the same, in the permanently settled districts of Bengal, Behar, Orissa and Benares, shall acquire the estate free from all encumbrances which may have been imposed upon it after the time of settlement, and shall be entitled after notice given under Section X. Regulation V. 1812, to enhance at discretion, (any thing in the existing Regulations to the contrary notwithstanding) the rents of all under-tenures in the said estate, and to eject all tenants thereof, with the following exceptions:

First. Tenures which were held as Istemraee or Mocrree at a fixed rent, more than 12 years before the permanent Settlement.

Secondly. Tenures existing at the time of the Decennial Settlement, which have not been, or may not be, proved to be liable to increase of assessment, on the grounds stated in Section 2, Regulation VIII. of 1793.

Thirdly. Lands held by Khood Kasht or Kudeemee Ryots having rights of occupancy under the Regulations in force.

Fourthly. Lands held under bonâ fide leases, at fair rents, temporary or perpetual, for the erection of dwelling houses, or manufactories, and being so used, or for gardens, tanks, canals, clearing of jungle, or like purposes.

Fifthly. Farms granted in good faith at fair rents by a former proprietor, for terms not exceeding twenty years, under written and duly registered leases.

Under-tenures elsewhere. XXVII. And it is hereby enacted, that the purchaser of an estate sold under this Act for the recovery of arrears due on account of the same in Districts other than those mentioned in Section XXVI. shall acquire the estate free from all encumbrances which may have been imposed upon it after the time of settlement, and shall be competent to avoid and annul all tenures which may have originated with the defaulter or his predecessors, being representatives or assignees of the original engager, as well as all agreements with ryots or the like settled or credited by the first engager or his representatives, subsequently to the last Settlement, as well as all tenures which the first engager may, under the conditions of his settlement, have been competent to set aside, alter, or renew, saving always and except bonâ fide leases of ground for the erection of dwelling houses, or buildings, or for offices thereunto belonging, or for gardens, tanks, canals, water courses, or the like purposes, which leases or engagements shall, so long as the land is duly appropriated to such purposes, and the stipulated rent paid, continue in force and effect. Provided that nothing in this Act contained shall be construed to entitle any purchaser of land at a public sale to demand a higher rate of rent from any persons whose tenure or agreement may be annulled as aforesaid than was demandable by the former Malgoozar, except in cases in which such persons may have held their lands under engagements, stipulating for a lower rate of rent than would have been justly demandable for the land, in consequence of abatements having been granted by the former Malgoozars from the old established rates by special favour, or for a consideration, or the like, or in cases in which it may be proved that according to the custom of the Pergunnah, Mouzah, or other local division such persons are liable to be called upon for any new assessment, or other demand not interdicted by the Regulations of Government.

Purchase by a defaulter, &c. XXVIII. And it is hereby enacted, that excepting copartners of estates under Butwarrah who may have saved their shares from sale under Sections 33 and 34, Regulation XIX. 1814, any recorded or unrecorded proprietor or copartner who may

purchase in his own name or in the name of another the estate of which he is proprietor or copartner; or who by re-purchase or otherwise, may recover possession of the said estate after it has been sold for arrears under this Act; and likewise any purchaser of an estate sold for other arrears or demands than those accruing upon itself, shall by such purchase acquire the estate subject to all its encumbrances existing at the time of sale and shall not acquire any rights in respect to Ryots and under-tenants which were not possessed by the previous proprietor at the time of the sale of the said estate.

Arrears of rent. XXIX. And it is hereby enacted, that arrears of rent which at the date of sale may be due to the defaulter from his tenants, shall be recoverable by him after a sale by any process which might have been used by him for that purpose before the sale was made.

Contempt. XXX. And it is hereby enacted, that any Collector or Officer exercising the powers of Collector, shall be competent to punish any contempt committed in his presence in open Cutcherry or Office for the time being, by fine, to an extent not exceeding Co.'s Rs. 200, commutable, if not paid to imprisonment in the civil jail for a period not exceeding one month; and the Magistrate to whom such an offender may be sent by a Collector as aforesaid, shall carry his sentence into effect. Provided that an appeal from any order passed under this Section shall lie to the Revenue Commissioner, whose decision shall be final.

Default.
